Applications are invited for the following full-time position in the Saw Swee Hock School of Public Health:

Research Assistant for Saw Swee Hock School of Public Health

The Saw Swee Hock School of Public Health (SSHSPH) at the National University of Singapore (NUS) is seeking a research assistant to assist in 2 studies. One is a qualitative study on the determinants of well-being in Singapore and the second is a pilot study on traditional Chinese medicine (TCM) body constitution classification. Both studies aim to develop useful tools for future research. Successful candidate will be appointed on a 12-month contract.

Job scope:
- Conduct qualitative analyses of interview data on the subject of well-being and wellness and prepare manuscripts for publication in peer-reviewed journals
- Coordinate a TCM research study which will validate a body constitution questionnaire in the local population.
  - This will involve coordinating the enrolment and interviewing of up to 200 Chinese, Malay and Indian participants from the Singapore Population Health Studies cohort.
  - Training and deployment of a team of undergraduate students/interns to perform the enrolment and data collection.
  - Coordinating with TCM physicians who will be providing diagnosis of body constitution of the participants
  - Analyse associations between body constitution, health and well-being determinants
  - Literature review on related TCM topics (include Chinese articles), IRB application and study protocol writing

Requirements:
- A degree or diploma in traditional Chinese medicine would be advantageous
- A degree in biomedical sciences, pharmacology, psychology or sociology with experience in qualitative health research, manuscript writing and literature review is essential

The grade of appointment will be accorded based on candidate's academic qualifications and years of relevant experience.

Applicants should send the following documents by email to Dr WEE Hwee Lin at ephwhl@nus.edu.sg:
- a. Cover letter highlighting career goals and relevant experience
- b. Curriculum Vitae, containing details of three named referees
- c. A complete NUS Personal Data Consent for Job Applicants (form is available at NUS Personal Data Consent for Job Applicants)

Please note that only shortlisted candidates will be contacted.
